- The other line moves faster
- Everything takes longer than you think
- New systems generate new problems
- If anything can go wrong, it will
- Nothing is as easy as it looks
- 9 people can't make a baby in a month
- When all else fails, read the directions
- No one gets sick on Tuesday
- Research is what I'm doing when I don't know what I'm doing

- The gap between theory and practice is not as wide in theory as it is in practice.
- In order to get a loan you must first prove you don't need it.
- No one you ask for help will see the mistake either.
- The first 90% of the task takes 90% of the time, and the last 10% takes the other 90
- If everything seems to be going well, you have obviously overlooked something.
